What has become of the five hundred and one gas wells that formerly flourished in Meade county? Are they all awallowed up by the Rock Gas Company? What has become of the pipe line? Why is it that the gas is not supplied to the city of Louisville? Is the Rock Gas Company able to control all the land between Brandenburg and Louisville? Why is it that be pipe line is not used or another laid? Why can't the 201 other companies combine and have a company of explicitalists to build a pipe line and pay them in gas; give them half, or better all of it than let it run to waste and benefit no one.

### The Right Kind of **EDUCATION PAYS!**

If you want your child educated send him to a TEACHER; if you send him to school to get rid of him or because it is customary, then send him to a HEARER OF RECITATIONS. There is a vast difference between teachers and recitation hearers. A teacher stimulates his pupils and eacourages them to learn for the sake of the power it gives them; the time-serving recitation-hearer encourages his pupils to memorize their lessons in order that they may recite well and get a good mark. Which will you choose for your boy and your girl? If the former, then patronize the
